The 4 Components of Combating Terrorism

Prevention

Preparedness

Crisis Management

Consequence Management

ODP Background

ODP Mission

- To develop and enhance the capacity of state and local governments to prepare for and respond to threats or acts of terrorism involving Weapons of Mass Destruction.

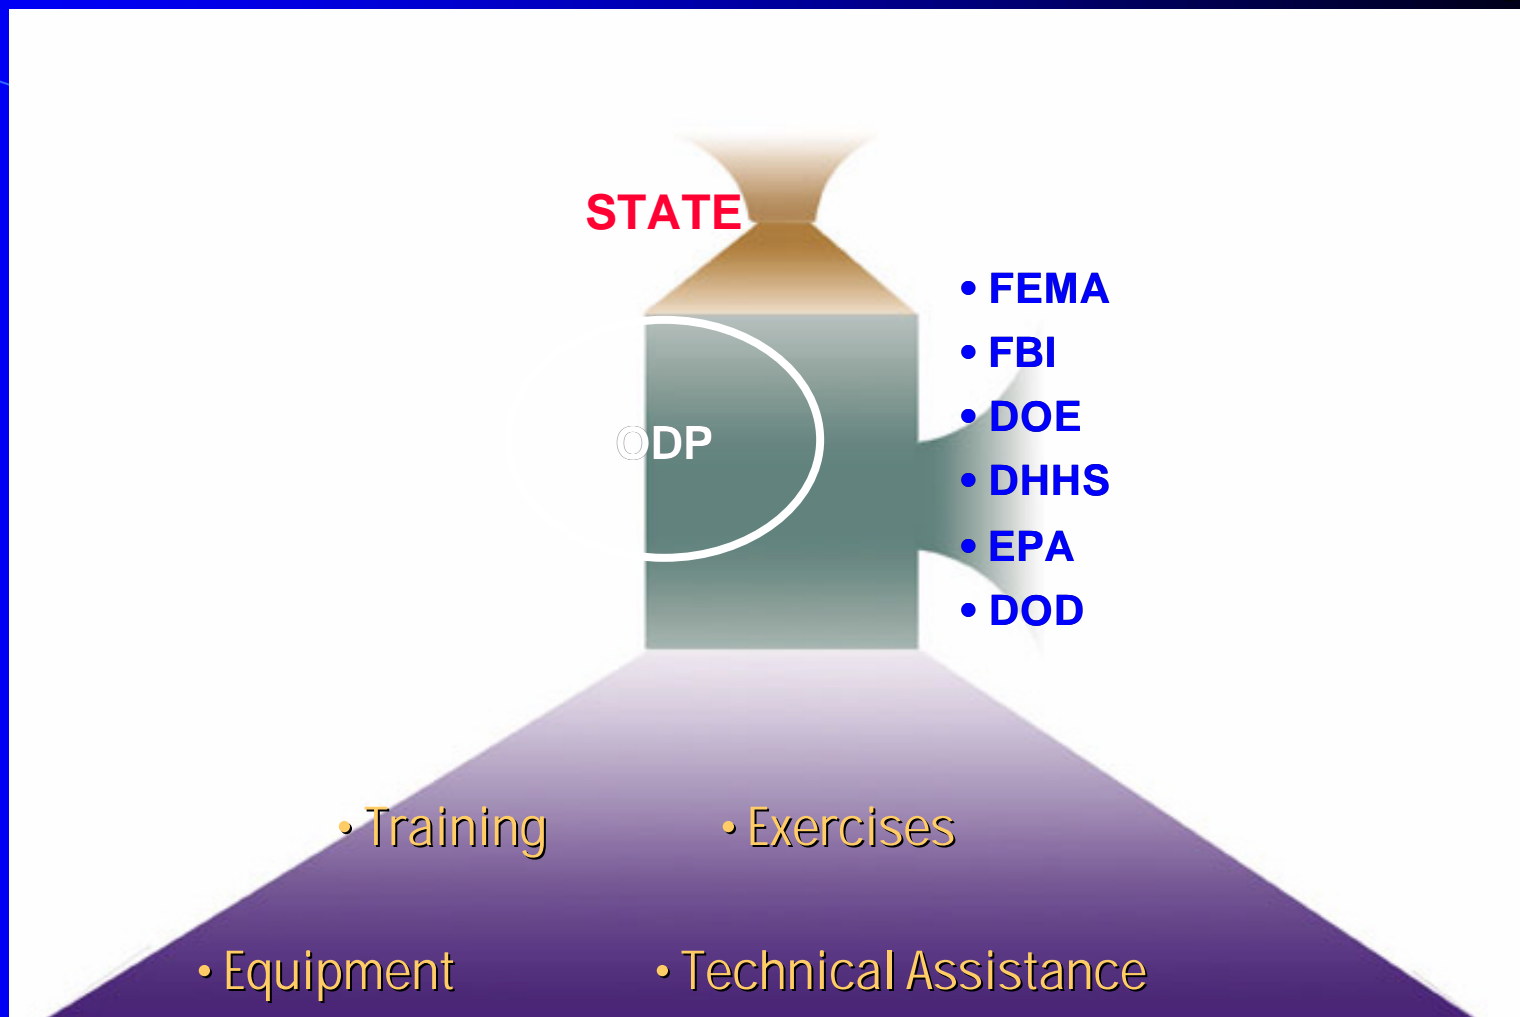

ODP Offerings

- ODP provides preparedness programs to state and local governments in the following areas:
 - Training
 - Equipment
 - Exercises (including national level exercises)
 - Technical Assistance

ODP Program Approach

Deliver to Jurisdiction Based On Statewide Strategy

ODP Program Implementation

- State Administrative Agencies (SAAs)
- State Strategies
- State Assistance Plans (SAPs)

3-Year DP Strategies

Nationwide Requirements

- **Estimated 2,159 total exercises needed**
- **Estimated 2,413,552 responders need training**
- **Estimated \$1,848,042,444 total equipment costs**

3-Year DP Strategies

Nationwide Estimated Training Requirements by Discipline

- Fire 915,534 responders need training
- HazMat 46,975 responders need training
- EMS 346,646 responders need training
- LE 512,243 responders need training
- Public Works 333,830 responders need training
- Public Health 221,399 responders need training
- EM 36,925 responders need training

3-Year DP Strategies

Nationwide Estimated Equipment Costs by Discipline

• Fire	\$570,891,141	Total
• HazMat	\$169,292,231	Total
• EMS	\$317,537,064	Total
• LE	\$425,374,823	Total
• Public Works	\$94,484,981	Total
• Public Health	\$159,267,814	Total
• EM	\$111,194,390	Total

Equipment

ODP assists in the purchase and procurement of specialized WMD equipment.

Categories of equipment include:

- Personal protective equipment
- Explosive device mitigation and remediation equipment
- WMD technical rescue equipment
- Interoperable communications equipment
- Detection equipment
- Decontamination equipment
- Physical security enhancement equipment
- Medical supplies and limited types of pharmaceuticals

Training

Sample of courses available:

- Awareness
 - Emergency Response to Terrorism: Basic Concepts (ERT:BC)
 - Managing WMD – An Executive Level Program for Sheriffs
 - Incident Response to Terrorist Bombings - Awareness
- Operations
 - Public Works: Planning for and Responding to a WMD Incident
 - Operations – WMD/Crime Scene Management
- Technician
 - Emergency Medical Services Operations and Planning for WMD
 - Radiological/Nuclear Responder Operations
- Command
 - WMD Incident Command Training Course (Live Agent)
 - Using ICS in a WMD Incident (video)
- Technical Assistance
 - Chemical Protective Clothing Course

Equipment Training

DPETAP

- WMD Detection Technology
- Operation and Maintenance
- Practical Exercises

Helpline

- State and Local Domestic Preparedness Support Helpline - a toll-free, non-emergency resource
 - 1-800-368-6498
 - 9:00am – 6:00pm EST (weekends, holidays and after business hours, callers can leave a voice mail message)
 - Provides a broad range of WMD information on such topics as:
 - ODP programs
 - WMD materials and agents
 - Defense equipment
 - Mitigation techniques
 - Federal assets

Helpline Usage

Call the Helpline when you need information on:

- **Equipment**

- Call if you have purchased WMD equipment and need technical assistance with its utilization, sustainment, or calibration. Scheduling of mobile, on-site training teams is available.

- **Agents**

- Call to be linked to WMD subject matter experts for detailed information on agents including their physical properties, signs and symptoms of exposure, and toxicology data.

- **WMD programs**

- Call to get more information on or to schedule ODP WMD training, exercises and technical assistance.

ODP Exercise Mission

Provide expert assistance to state and local agencies and their Federal counterparts through three branches providing support for:

- WMD Exercise Design & Development
- WMD Exercise Conduct
- WMD Exercise Evaluation
- WMD Exercise Follow-up
 - Results incorporated into training and other programs

Exercise Types

Exercises take a variety of forms, which can be combined or modified to meet specific needs. ODP meets the needs of States and local jurisdictions, as defined in the statewide strategies, and their Federal counterparts by supporting several types of exercises:

- Seminars
- Workshops
- Tabletop Exercises
- Large-Scale Games
- Command Post (or Functional) Exercises
- Full-Scale Exercises
- TOPOFF (State & Local Participation)

ODP Exercise Division Background

- FY99
 - TOPOFF 2000 focus only
- FY01
 - Exercise Division creation, Jan 01
 - TOPOFF2
 - State and local exercise support
 - NLD 120 cities
 - Improved Response Program
- FY02
 - State Domestic Preparedness Strategies
 - Direct exercise grants to states
 - Exercise contractor support to states
 - Evaluation program

Exercise Program Components

National

- **TOPOFF Exercise Series.**
- **National Security Special Events.**
 - 2002 Winter Olympics.
 - IMF/World Bank Protest Preparation.
- **Cooperation with other Federal Agencies and Departments.**
 - WASATCH RINGS 2001, UT.
 - Determined Promise 2002, FL.
- **NSC Interagency Working Group designated annual exercises.**
 - Coordinated multi-year schedule.
 - WMD Exercise guidance.
 - Corrective Action Program.

State & Local

- **Statewide Domestic Preparedness Strategy Exercise Support Programs:**
 - National Capital Region 2000, Washington, DC.
 - SEAKING 2000, Seattle, WA.
 - Gateway Response 2001, NJ.
 - Bioterrorism Response 2001, Los Angeles County, CA.
 - Palm Storm 2001, Palm Beach, FL.
 - Bioterrorism Response 2001, New York City.
- **Coordinate State and Local TOPOFF Exercise Participation.**
- **Center for Exercise Excellence - Nevada Test Site**
- **Nunn-Lugar-Domenici Domestic Preparedness Program.**
